My Life in the Countryside

My name is Emily, and I live in a small village in the countryside. My house is near a big forest and a river. Every morning, I wake up early because I like to see the sunrise. After breakfast, I help my father with the animals. We have cows, chickens, and two horses. I give food to the chickens, and I clean the stable for the horses. In the afternoon, I go to the village school. It is small, but I like it. My teacher is very kind, and my best friend lives near me. After school, we ride our bikes along the river and pick flowers. In the evening, my mother cooks dinner, and we eat together. After dinner, we watch TV or read books. The countryside is quiet and beautiful, and I love my life here.
